### 2. Coaches

#### 2.12 1947-50 Leyland Tiger PS1/1

The earliest postwar Leyland Tiger coaches in the fleet were six Duple bodied PS1/1s absorbed from the Griffin fleet. Red & White also purchased another 22 examples, 7 of which had similar Duple bodywork as the Griffin vehicles but without the characteristic side flash, and a further 15 with Lydney bodywork, this being almost identical to the Duple bodies including the side flash. A further 6 Duple bodied Tigers went to the United Welsh fleet.
