3. Double Deck Buses

3.3 1939 Albion Venturer CX19 / Weymann

Twelve highbridge Albion Venturer CX19 / Weymann double deckers were purchased by the group in 1939-40, six being allocated to the United Welsh fleet and five to Cheltenham District Traction. CWO 419 went to the main fleet and was transferred to Bristol Tramways in May 1950 with the Stroud area services. Most of the other Albions transferred at the same time were returned in 1951 in return for the Bristols acquired with the Coleford services but CWO 419 was not among them.
